Flush Your Blood Get it Cleansed

Remarkable Remedy That
Works All Through
Your Body.

When you put a tablespoonful of R. S. S. into your stomach it gets straight
into your blood. In less than five min-
utes it has become a wave of restora-
tive influence wherever the blood has
circulated. Does this read like magic?
But it is absolutely true. Those power-
ful digestive juices in the stomach can
not change the medicinal effect of R. S. S.
The liver can not burn it. The lungs,
skin and kidneys excrete it only after
it has set in motion millions of cells
and nerves to throw off the count-
less germs that have infested every part
of the body. And as R. S. S. continues to
battle those troublesome pests that
gather in the form of pimples, boils,
eczema, acne, catarrh, rheumatism and
other so-called blood disorders, it runs
into action a myriad of strange but well-
understood corpuscles called leucocytes
that actually devour or change or con-
vert disease germs so they are readily
and quickly cast out of the body. It is
probably the best appreciated blood
medicine known. You will find R. S. S. on
sale in nearly every drug store in the
U. S. Get a bottle today. And if your
case is peculiar, write to the Medical
Department, The Swift Specific Co., 105
Swift Bldg., Atlanta, Ga. It is con-
ducted by a noted physician.
